Mothers Rule the World

They guide the destinies of the home and children. A mothers' influence is felt for all time and eternity. The world will never be better until mothers get closer to Jesus and Mary in their homes. God is relying on mothers to step up and keep Christ alive in the world by keeping Him alive in our hearts and homes. Through Mother Mary and her Confraternity we can accomplish this. Are you ready to accept this challenge?

The Confraternity of Christian Mother has for its object the Christian home education of children by truly Christian Mothers.

Mary, please help me to be a good mother today and always!

Confraternity of Christian Mothers

Statutes, Indulgences and Prayers

Object of the Confraternity

The confraternity of Christian Mothers has for its object the Christian home education of children by truly Christian Mothers. Under the special patronage of the Mother of Sorrows, the members are encouraged joyously to undertake the important task of training and sanctifying the young souls entrusted to their care. They are schooled to edify each other by word and deed, to support one another by fervent prayer and thus become the mainstay of spiritual life within their own family, and a fruitful source of blessing to the community in which they live.

Principal Expectations of the Members

- Members must be extremely solicitous to educate their children according to the principals of the Gospel.
- Everyday they should pray the *Prayer for Our Children* to the Patrons of the Confraternity.
- They should cherish a special love for one another: every month they should offer Holy Communion for their associates in the Confraternity. They should also assist one another in other ways.
- When an associate has departed this life, prayers and good works shall immediately be offered up by the associates and as soon as possible a Requiem Mass shall be said. All who are able to do so should be present at the funeral services.
- The deceased members and their children are recommended to the hearts and prayers and merits of the other associates.
